

## **9802.00 - BLANKET WAIVER**

### **GOODS RETURNING TO THE U.S. AFTER EXPORT THAT HAVE BEEN ADVANCED IN VALUE OR IMPROVED IN CONDITION**

**Blanket Certification from:** \_\_\_\_\_ **to** \_\_\_\_\_

**In accordance with the Customs Mod Act, it is the Importer of Record's responsibility to provide accurate classification on their product.**

The tariff designation 9802.00 is a "Conditionally Free" tariff provision that is reported alongside an HTS number from chapters 1-97. The chapter 1-97 tariff designation without the 9802 HTS should be used if you do not have the required documents to support the claim for entry under 9802.

Under Customs Regulations, Invoice requirements 142.6 (a)(4), the appropriate eight-digit subheading from the Harmonized Tariff Schedule of the United States shall be furnished with the entry before release. If the invoice presented lists an HTS number paired with an HTS starting with 9802.00, it will be entered under the "Conditionally Free" provision, with no duties charged to the 9802.00 line. Duties are still due on the chapter 1-97 repair value unless a free trade agreement, such as USMCA, is applicable.

A.N. Deringer does not have knowledge as to whether you have the required documents to support the claim for entry under 9802.00, Conditionally Free Goods Returning to the United States. U.S. Customs may require a Declaration by the Owner, Importer, Consignee, or Agent, a Repair Declaration, a Declaration by the Processor, an Endorsement by the Importer, or Declaration by the Assembler. The documents requested will depend on the 9802.00 number used. Proof of Export may also be required if Customs deems it necessary to prove actual exportation of the goods. By signing this document, you are providing written verification from your Company that you are aware of the "Conditions" and documentary requirements that may be imposed by U.S. Customs and will provide the HTS numbers you want used for your products returning to the U.S. It is an Importer's responsibility to have the supporting documents in hand at the time a 9802 claim is made.

Account Number:

Please enter my goods under 9802.00 Conditionally Free. A full 10-digit 9802 HTS and chapter 1-97 HTS will be supplied on each commercial invoice where repairs and alterations have occurred. I will also supply the repair value. I am aware that further documentation may be requested and additional proof may be required. I am aware that if I do not supply a 9802 number and repair value, the goods will be entered without it, and the appropriate duties and merchandise processing fees will be charged.
