

Auto Parts Declaration

Complete this form if you have products flagged as auto parts per [Proclamation 10908](#) when all products should be treated the same. If you have some products that are subject auto parts and some that are not, please indicate this status on your Commercial Invoice instead of completing this form. Failure to pay duties on subject goods can result in adverse action from CBP. By signing this form, you acknowledge that you have read the entire form and understand your responsibilities as the importer of record.

Are my products subject to Section 232 Auto tariffs?

Per [Proclamation 10908](#), certain auto parts (engines and engine parts, transmissions and powertrain parts, and electrical components) for passenger vehicles (sedans, sport utility vehicles, crossover utility vehicles, minivans, and cargo vans) and light trucks are subject to an additional 25% duty. Goods eligible for a USMCA claim aside from automobile knock-down kits or parts compilations are not subject to the additional duty. Medium-duty (gross vehicle weight of more than 10,000 and under 26,001 pounds) and heavy-duty trucks (gross vehicle weight rating of 26,001 pounds or more) are also not subject to these additional duties at this time. Flagged HTSUS numbers that are not actually auto parts are also not subject to the additional duties.
