Further Guidance

Effective July 24, 2026, Section 301 Forced Labor duties are due on all products of 60 economies unless otherwise exempt per [91 FR 47318](#) and [CSMS #69326983](#). Certain exemptions are only for particular products that fall within a certain HTS classification, i.e. etrogs, acai. Other exemptions are only for products with a specific use, i.e. seeds for sowing, pharmaceutical application, religious purposes. In order to properly apply the exemption, we must know what the specific product or use of the product is, as required by the scope limitation. Make sure the specific product or specific use required for a particular classification is provided in the table above.
